# CONTRACTS FOR NEW CHURCH ABOUT CLOSED

MATTER IN HANDS OF ARCHI-TECTS TO PIACE WITH LOWEST BIDDERS.

on the new M. E. Church, South, at this place began Monday morning when the broad concrete footing for the foundation was put in under the supervision of Mr. J. H. Preston, an experision of Mr. J. H. Preston, and also the Odd Fellows who attended the funeral in a body and had charge of ritualistic services at the grave.

The deceased was the son of Labert and Mary Derifield, who reside near the preston of the preston of the funeral in a body and had charge of ritualistic services at the grave.

Catlettsburg. He was born in Law-The first real work of construction perienced concrete contractor. With the aid of a new power mixer the work was rapidly handled. The basement walls and floor will go into place at a

corresponding rapid pace.

The architects, Higginbotham and Knapp, of Charleston, W. Va., succeeded last week in securing lower bids ceeded last week in securing lower bids from contractors than had been received by the building committee of the church and matter of placing the contracts was placed entirely in their hands, with instructions to get the job started at the earliest possible day. The contractors will take the work from contractors will take the work from the top of the basement. As already stated the basement is being built by J. H. Preston, who is giving his time and laber and knowledge free. The walls will be rough-faced brick.

The trimmings and columns of Bedford

Mr. G. W. Atkinson, owner of the water company, very liberally dena-ted all the water needed in the construction of the building.

### SWIFT ACTION IN CASE

The Logan W. Va., Democrat says: Brown, colored, alias "Whitechild," was

Brown was charged with knocking down and robbing William Thomas Paggett in the railroad yards last Fri-Thomas day night. He was indicted by the special grand jury one day and his trial took place next morning, followed by the prompt finding of a verdict of sullty by the jury and the equally prompt pronouncement of sentence by persons falling against the backs of neats. Judge Wilkinson.

### VOICE AND VIOLIN

A very delightful interlude occurred in the meeting of the Junior League of the M. E. Church, South, at the meet-ing last Sunday afternoon. It consisted of some exquisite violin music playd by Miss Nell Gallagher, of Circin nati, and a beutiful vocal solo rendered in charge. Meals and lodging on the by Miss Donaldson, of Ashland. The grounds. Everybody invited. first number was a violin solo and when one sweep of the how crossed the strings this mighty instrument showed that it was in the hands or a mistress FLOYD COUNTY MAN of the art of violin playing. It was followed by several other sieces by the each number receiving a delightfully hearty encore. The young lady's playing was a revelation to all at and particularly was it delightful to the musicians present. Some of the pieces rendered by her were very difficult of execution, but they were played easily, gracefully and with a sweep of the bow and a touch of the fingers which showed the true artist young lady in question now only 18, has received ten years of instrucis her proficiency as a player that she Lycoum Bureau at a very retaunera-Her sister, Miss Katherine accompained her on the organ and howed much proficiency in playing. The vocal solo given by Miss brand-

full soprano of much range and compass and she used it in a way that d careful and competent cultivation in the hands of a master. But one objection could be urged against M sa Donaldson and this is the fact that she the one time, while her hearers were anxious for more.

### BUSKIRK-LEWIS

At the home of the bride's sister, Mrs. White, on Holden on Wednesday afternoon at two o'clock, occurred the ringe of Miss Winnie Lewis to R. W. Buskirk, Jr.

Both of the young people are well through Logan county and their mar-riage will bring forth general congratulations and good wishes from their legion of friends.—Independent.
